Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: An Office action, mailed March 14, 2005 was returned to the PTO as not having the correct address. The examiner attempted to telephone applicant to obtain a valid mailing address but was unsuccessful. The attorney of record in child case 10/238,755 was contacted and verified that the address and telephone number in the instant case was identical to the address and telephone number of record in the child case. Said attorney provided an email address for applicant. An e-mail sent to Graupner@sunstroke.sdsu.edu on December 22, 2005 did not result in a reply from applicant. .
